5. AUTHORIZATION

I hereby apply to AAFMAA for insurance as provided by its Constitution. I represent that my statements and answers are true to the best of my knowledge. I understand that AAFMAA will rely on my statements and answers in determining my eligibility for insurance and receiving my application. I also understand that any false or incomplete statement or answer which materially affects the acceptance or the risk or the hazard assumed may result in loss of coverage under the policy to which this application is attached. I understand that any photocopy amendment or statement I submit may be accepted and relied upon by AAFMAA, in its sole and absolute discretion, and treated as a valid original, and will be included in any approved policy that is issued and delivered to the owner. I understand that federal law requires AAFMAA to verify the identity of insureds and owners. I understand that all documents I provide will be retained by AAFMAA.

I understand that the insurance coverage applied for will be effective conditionally from the date AAFMAA receives my application, deposit, identification and required medical information, whichever is later. If I die before this application is approved and a policy issued, and it is determined by AAFMAA, pursuant to its rules and procedures, that I am not acceptable to AAFMAA for the insurance coverage applied for as of the date of the application, there shall be no insurance coverage, no death benefit will be payable, and any deposit paid will be refunded. Based on my health and other factors affecting my insurability, I may be offered a higher premium rate or my application may be rejected or withdrawn.

I authorize any health care providers, pharmacy benefit manager or other pharmaceutical firm, insurance companies, MIB, Inc., consumer reporting agency, the Department of Motor Vehicles, financial institution, or employer having information about my physical or mental condition, prescription drug records, financial status, employment status or other relevant information about me, to give all information to AAFMAA to determine eligibility for insurance or benefits. I authorize AAFMAA to make a brief report of my personal health information to MIB. Information obtained may be released to persons performing business duties as delegated or contracted for by AAFMAA related to my application and subsequent insurance related functions, as permitted or required by law, or as I further authorize. Some of the health information obtained may be disclosed to persons or organizations that are not subject to federal health information privacy laws, resulting in the information no longer being protected under such laws. I agree this authorization is valid for 24 months, a copy is as valid as the original, and I or my authorized representative can receive a copy upon request. For purposes of collecting information in connection with a claim for benefits, this Authorization is valid for the duration of the claim. I understand that: (1) I can revoke this authorization at any time by written request to AAFMAA; (2) revocation of this authorization will not affect any prior action taken by AAFMAA in reliance upon this authorization; and (3) failure to sign or revocation of this authorization may impair AAFMAA's ability to evaluate applications or claims and may be the basis for denying this application or claim for benefits.

If I have chosen to pay by recurring withdrawal from my military allotment, bank account or credit card, I hereby authorize AAFMAA to contact the payment provider on my behalf to start, increase, decrease or stop my payment when necessary to collect amounts currently due. I understand that AAFMAA cannot start or increase active duty allotments.
