

# Survivor Assistance Services Application

For Veterans

## Provide your family the peace of mind that only AAFMAA delivers

Since 1879, our hallmark Survivor Assistance Services have offered compassionate and caring guidance in difficult circumstances, from the death notification throughout the surviving spouse's lifetime. No other organization provides the same level of service or protection. Let us take care of your loved ones, so they have time to take care of each other.

### AAFMAA Survivor Assistance Services include:

- Professional planning, education and checklists.
- Electronic storage of your essential claims-related documents in our secure Digital Vault.
- Round the clock online access to your documents, anywhere in the world.
- Expert advice.
- Expedient processing of death notifications.

### We'll work with your survivors to:

- Advise them on the military and survivor benefits and entitlements they are eligible for.
- Answer questions and help them through the process.
- Notify and coordinate with DFAS, VA and insurance companies. We'll even prepare the forms.

Your spouse deserves the best of care in your absence. Gift them comprehensive Survivor Assistance Services. From making death notifications, to applying for government benefits and entitlements, these processes are very time consuming, frustrating and difficult to understand. Leave these burdensome tasks to those "in-the-know" and provide your family a peace of mind.

**AAFMAA Members have Survivor Assistance Services with an active AAFMAA Life Insurance policy, but it can also be purchased as a standalone service.**
