

# Optimize Your Military Benefits to Live the Life You Want

## CAREER LEVEL. FAMILY STATUS. ELIGIBILITY.

Your military benefits vary based on many factors that are unique to you and your military life. Knowing which ones you're eligible for and understanding how to make the most of them will help you secure your finances right now — and for the future.

## Your Essential Military Benefits:

Comprehensive medical coverage for you and your dependents is provided through **TRICARE**.

You may be eligible for housing benefits such as Basic Allowance for Housing (**BAH**) or access to military housing facilities.

**Basic Allowance for Subsistence** offsets the cost of food for servicemembers at different rates for enlisted servicemembers and officers, adjusted annually.

Educational assistance programs, such as the **G.I. Bill**, offer financial support for higher education or vocational training.

Specific **tax advantages** are available to servicemembers, including certain exemptions and deductions.

Learn more about the **benefits you get** and **how to use them**.

## Plus: Gain an Added Advantage

### BECOME AN ARMED FORCES MUTUAL MEMBER

Being a current or former member of the military means you're eligible for even more exclusive opportunities — beyond those provided by the military. Armed Forces Mutual Membership may start with an insurance policy, but it also builds your peace of mind, helping you to secure your finances today and your family's well-being tomorrow. You get:

- » Access to our premium content for **insights and information** from experts and others in the military community
- » Your own secure, 24/7-accessible **Digital Vault** to store essential documents
- » Our hallmark **Survivor Assistance Services** to provide your family with personal attention and guidance when the time comes

Explore your life insurance options now to discover what Armed Forces Mutual can do to support your family. Call **888-994-5608** or **get a free quote** online now.
